About Me

As a dedicated and ambitious student pursuing a career in software development, I possess a solid foundation in programming and a keen interest in leveraging Python for innovative solutions. With a Btech background, I have demonstrated a strong aptitude for software development through coursework and personal projects.

Objectives

I am eager to apply my theoretical knowledge in a practical setting, contributing to real-world projects and gaining valuable hands-on experience in software development.

EDUCATION

Bachelors in Technology

Panipat Institute of Engineering and Technology

2021 - 2025

7.2

WORK EXPERIENCE

Intern

Codsoft - Internship

08/2023 - 10/2023

Work closely with our experienced software development team to design, develop, test, and maintain C++ applications. Gain hands-on experience in a professional software development environment.

SKILLS

Java

MySQL

GitHub

CSS

Linux

Python

C++

Git

Unix

PROJECTS

Nvim [↗](#)

- Enhanced the working of Neovim(Text editor) using Lua and bash scripting to make a visually stunning and productive Personal development environment
